INDEMNIFICATION

I, the undersigned have read the rules and regulations issued for this championship and agree to be bound by them and all on the day instructions. In consideration of the acceptance of this entry or of my being permitted to take part in events, I agree to save harmless and keep indemnified the WME Pre85 Motocross Series (WME Pre85), WEM Motocross Club, the BSMA, the promoter, landowner(s), sponsor(s), drivers, mechanics and such person, persons or body as may be authorised to promote or organise events and their respective officials, servants, representatives and agents from and against all actions, claims, costs, expenses, and demands in respect to death or injury to myself howsoever caused, arising out of or in connection with this entry or my taking part in events and notwithstanding that the same may have contributed to or occasioned by the negligence of the said bodies, their officials, servants, representatives or agents. Furthermore in respect of any parts of this event, on grounds where no third party insurance is legally required, this agreement shall, in addition to the parts named above, extend to all and every other competitor(s), servants and agents and all actions, claims, costs, expenses or demands in respect of loss or damage to the person or property of myself, my driver(s), or mechanic(s).

The signee must satisfy themselves of the preparation and condition of the course BY MEANS OF WALKING THE CIRCUIT and the completion of TWO (2) LAPS OF OFFICIAL PRACTICE that the margins of safety, barriers and braking area's are adequate and suitable for their degree of competence and type of vehicle. I accept the responsibility of monitoring all conditions that may materially change the fore mentioned, and that I participate of my own free will.

I understand that should I, at any time, of this event, be suffering from any disability, whether permanent or temporary, which is likely to affect prejudicially my normal control of my vehicle I may not take part. Furthermore I declare that I possess the standard of competence necessary for a WME Pre85 event to which this entry relates and that the vehicle entered is suitable and proper for its purpose and that it complies in all respects, having regard to the course and the speeds that will be attained and is described above. I confirm that I understand the nature and type of event I am entering and its inherent risks and agree to accept the same notwithstanding that such risks may involve negligence on the part of the organisers or officials. Acknowledgement of the risks of motorsport; I understand that by taking part in this event, I am exposed to a risk of death, becoming permanently disabled or suffering some other serious injury and I acknowledge that even in the event that negligence, on the part of the BSMA, the promoter, the organising club, the venue owner, or any individual carrying out duties on their behalf were to be a contributory cause of any serious injury I may suffer, the dominant cause of any serious injury will always be my voluntary decision to take part in a high risk activity.
